

## Finds Day and Village Timeline Part 2: Principal Finds

Compiled by Paul Fisher

On the day the Finds Liaison Officers' Anna Booth (Somerset) & Ciorstaidh Hayward Trevarthen (Dorset) were in attendance to inspect, advise and discuss hundreds of finds that were brought to the event. From these finds, they identified numerous items that were worthy of further investigation and inclusion into the Portable Antiquities Scheme database. These finds and their respective descriptions can be accessed via the Portable Antiques data base at the [www.finds.org.uk](http://www.finds.org.uk) Just go to the database tab, Register (it's free) and then just put in the Find Number. Descriptions, size, estimated dates and pictures are readily available to view. To assist in locating the Merriott Finds, below is a list of find numbers, feel free to access.
